

ORACLE TRIPLET 1200-IN / 1200-EX / 1200-IN

Classical antiquity states an oracle was a medium through which gods spoke directly to people. Providing prophesy and wise counsel, an oracle was a bridge between worlds seen and unseen.

Sculptural in presence, resonating with mysterious symbolism, brass interlocking rings dance in midair, ORACLE bridges Bronze Age sensibilities and 21st century minimalism.

ORACLE TRIPLET 1200-IN / 1200-EX / 1200-IN
